

Petnica Summer Institute

Summer School on Astrophysics

25 July - 3 August, 2019
Petnica Science Center, Valjevo, Serbia

LECTURERS

- Fran Bartolić (University of St. Andrews)
- Darko Donevski (SISSA, Trieste)
- Daniel Kocevski (NASA)
- Katarina Kraljić (University of Edinburgh)
- Ivan Milić (University of Colorado)
- Tanja Petrusevska (University of Nova Gorica)
- Giovanni Tambalo (SISSA, Trieste)

TOPICS

- Introduction to Cosmology
- Stellar Structure and Evolution
- Supernovae
- Multimessenger Astrophysics
- Galaxy Dynamics and Evolution
- Star-Forming Galaxies
- Extrasolar Planets

ORGANIZERS

- Nikola Božić (PSC, Petnica)
- Marko Simonović (CERN)
- Ivan Milić (University of Colorado)
- Gabrijela Zaharijas (University of Nova Gorica)
- Andrej Obuljen (University of Waterloo)
- Stanislav Milošević (Faculty of Mathematics, Belgrade)

HOW TO APPLY

In order to apply, please fill the form at:
psi.petnica.rs/2019/apply.php
One letter of recommendation should be sent to **psi@petnica.rs** directly by a referee. The application deadline is **May 20th 2019**.
